NON-POOL PLAYER #1

NON-POOL PLAYER #2

Rules:

Your team/entry will consist of 11 players. Select one player (by circling) from each of the 9 player pools above (A-B-C-D-E-F-G-H-BREWERS POOL). Then, write in 2 more players in the NON-POOL PLAYER areas that ARE NOT listed in ANY of the above 9 specified pools to fill out your team/entry of 11 home run hitters. Make sure the NON-POOL PLAYER picks you write in ARE NOT listed in any of the above 9 specified pools. If you write in a NON-POOL PLAYER that is listed in one of the 9 specified pools, you will receive a zero for that player for the year. Only the top 9 home run hitters will be counted from your team/entry. The bottom 2 home run hitters will not be counted in your total in case of injury or, those players just not having a very good season. The top 10% of total entries will cash. Payout will be 100% of total prize money collected. Standings will be determined by the team/entry with the highest Net HR total. Net HR's = Total HR's minus Low HR's (bottom 2 home run hitters). If two or more teams/entries are tied with the same Net HR's, then the team/entry with the higher Total HR's will determine standing. If two or more teams/entries are tied in Net HR's AND Total HR's, then a tie will be shown in the standings.

Fill out the information below and turn in a \$10 registration fee per team/entry to the Golden Lion Sports Bar. More than one team/entry per person is allowed. All teams/entries must be turned in before the start of regular season games (March 18th).
